7:00 – 9:00pm

## “The Impossible Being Possible – I Made It Through the Rain”

Presented by: Dr. John Hall

Autism / ADHD does not have to be a life sentence. Dr. John Hall knows. As a toddler, he lived in his own private world, flipping light switches, banging pans, avoiding eye contact, and babbling unintelligibly, diagnosed with Autism. Today, he is the CEO of a national education management firm based in Southern California. Defying his initial "slightly retarded, low-functioning autistic" diagnosis, he pushed himself through elementary, high school, and college, earned an MBA, and was even awarded a Doctorate! Today, with an Autistic | ADHD diagnosis, he shares his testimonial, has done a TEDxManhattan Beach Talk and is the parent of two children, one with special needs.

Author of "Am I Still Autistic"
