“Think and Grow Rich: The Legacy” Video Presented by your Local Chapter

Think and Grow Rich: The Legacy is a feature-length docudrama chronicling the stories of some of today’s most renowned entrepreneurs, cultural icons and thought leaders. In the film, viewers will be inspired through unflinching accounts of those who rose above the unlikeliest-and in some cases, most tragic-of circumstances to find personal fulfillment and make their mark on the world.

This movie is based on a book that was reprinted and updated in 2017. The original book was published in 1937 by Napoleon Hill and became a best seller. Hill interviewed the most influential leaders and successful people of the times and identified 13 principles which he believed if mastered could lead to great achievement by anyone.

Viewer discussion will follow the viewing of this movie.
